Welcome to our
Annual NAD Youth &
Young Adult
Ministries Advisories!

We are so thankful that you have made this a priority in your schedule and your budget. For the success and relevance of the ministries of the NAD Youth & Young Adult department we all need each other's input and perspectives.

Thank you for committing to joining together as we pray for and anticipate the Holy Spirit's leading over the next few days.

Tracy

Greetings Youth Directors, Leaders and Coordinators:

Welcome to YPAC in the mega city of the south—Atlanta. Thank you for making the sacrifice, the drive, and the time to come together and grapple with the challenges that will make our students better for the kingdom of God. Confession is always good—I must confess. What a wonderful opportunity we share in being a part of the Seventh-day Adventist Church in 2018. I have always loved my church; the privilege to serve students full-time has been afforded to each of us and I know we dare not take it for granted. I know the Spirit of the Living God is our Leader and Guide.

I hear too many students say, “I can’t live up to the standards, I can’t stop doing the stuff I’m doing, I will never be Holy...” The list goes on and on. I hear others say that they just want to give up or that it’s not worth it to try. This is simply because our students are trying to save themselves. Good news alert, Christ did the saving so we could do the living! It’s time we share the Gospel with our students. We want young people to know that God loves them dearly and He desires the absolute best for them—that’s why we’ve come from across the mighty North American Division to spend time in prayer, fellowship and planning, so that when we leave we will be better prepared to tell the Gospel story that **JESUS STILL LOVES & SAVES STUDENTS IN THE SEVENTH-DAY ADVENTIST CHURCH.**

Having Fun with Students,

Vandeon

“What time is it? Advisory time!!!

As we mingle and share for the next few days, it is our prayer that God blesses you through the conversations and discussions that will be had.

It is very clear that you have made a sacrifice, an effort to be here. Your budget will be diminished after this few days, but we hope that your faith and your hope for better ministry can be increased in glorious ways.

Thank you so much for your presence and your input, for your commitment and for your disposition to listen to others around the table. As we continue to grow together, let us keep our young people in our focus. We pray that what we decide and discuss may help you help them! As we support, mentor and serve our church leaders, may what comes from here be encouraging and helpful for ministry in your local context. We are so glad you are here...now, lets prepare for the hours and hours of sitting down that come with these, haha. May God grant us strength and wisdom and patience as we share together in this road of ministry.”

Armando
