"Experiencing the power."

Greater Columbus Convention Center
Columbus, Ohio

April 7-11, 2010

The Seventh-day Adventist Church in the United States, Canada, Bermuda and around the world is seriously intentional about meeting the needs of our youth and young adults. We are convinced that every church is limited without their strength and presence.

For the first time we are combining "4Extremes": Youth Ministries Leadership Summit, the Just Claim It Prayer Congress, Ignition - God-encounters (Young Adults), and a Children's Worship Festival (Sponsored by Ohio Cont). All in same location - Separate Programs.

The Holy Spirit is being poured out. 4Extremes are filling stations for spiritual growth, training, motivation and encouragement. **We invite you to join over 15,000 youth/young adults ages 14-35 mainly for the 2nd World Youth Prayer Congress April 7-11, 2010 at the Columbus Convention Center in Columbus, Ohio.** Delegates can fill their spiritual cups through our Prayer Initiatives, Community Mission Projects, Evangelism Outreach, Teens Preaching/Testimonies, Mass Choir/Orchestra, Workshops/Seminars, Sabbath Youth Rally/Parade, and Recreation.

The Prayer Chain has already begun and is connected to heaven. This is an opportunity to make certain that all of our youth (especially those who are struggling) are part of the Heavenly Link. We want to see SDA Youth and their non-SDA friends from every church in Columbus, Ohio April 2010. **Register now at www.justclaimit.org.**

Jesus says "I have prayed for you..."

Still Praying,
